

ASAHI AV

NEW SERVICE

AV Pipe Fabrication Kit

Eliminate your piping fabrication problems with the AV Pipe Fabrication Kit!

- More reliable fabrication with the manufacturer recommended kit.
- It is perfect for any places where sourcing tools may be difficult.!

Applications

TS Jointing Kit

- Line Marking
- FRP Removal
- Surface Treatment
- Adhesive Application
- TS Jointing
- Adhesive Removal

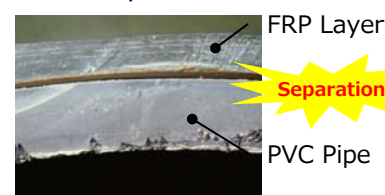

With the right tools you can prevent fabrication issues!

~Adhesive Problems~

It is often difficult to apply adhesive with supplied brushes, often leading to leaks and breaks.

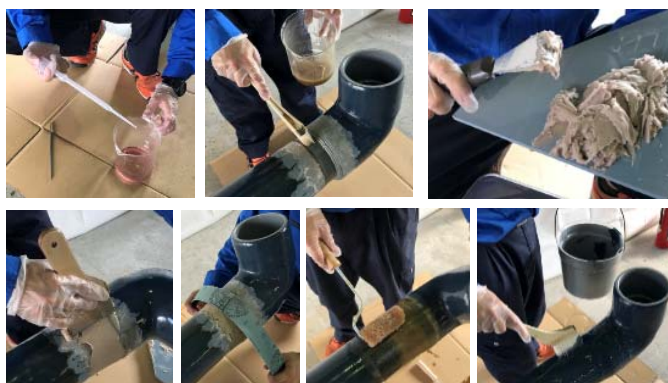

~FRP Separation~

If the surface treatment and primer mixing are not done properly, the FRP may separate, weakening the pipe.

FRP Fabrication Kit

- Resin Mixing
- Primer Application
- Putty Application
- Putty Treatment
- FRP Lining

TS Jointing Kit (For PVC Pipe AV Pipe)

※Parts not sold separately.

Type	Name	Application	Amount	
			For PVC Pipe	For AV Pipe
TS Jointing	Marking Paper (1m)	Reference Line Marking (Below 200A)	1	1
	Marking Paper (1.8m)	Reference Line Marking (Above 250A)	1	1
	Mech. Saw	FRP Notching	—	1
	Saw Blade	FRP Notching	—	1
	Sandpaper	Separated Surface Preparation	—	1
	Container w/Lid	Adhesive Storage	1	1
	Brush	Adhesive Application	1	1
	Scraper	Adhesive Removal	—	1

FRP Fabrication Kit

※Parts not sold separately

Type	Name	Application	Amount
FRP Fabrication	Rubber Glove	Protective Wear	10
	Beaker	Resin Mixing	1
	Pipette	Accelerator / Hardener Injection	1
	Mixing Bar	Resin Mixing	1
	Brush	Primer Application	1
	L-Shaped Hera	Putty Mixing	1
	Putty Hera	Putty Application	1
	Sandpaper	Putty Surface Treatment	1
	Pail	Waste Solution Storage	2
	Pail Inner Container	Waste Solution Storage	5
	Defoaming Roller	FRP Lining	2
	Wool Roller	FRP Lining	2

Optional Items

※Orders accepted by size. One order contains two wires.

Type	Name	Recommended Piping Dimensions		Amount
Optional Items	Wire	50A~125A	Φ6×1.0m	1 Pair
		150A~200A	Φ6×1.5m	1 Pair
		250A	Φ6×2.0m	1 Pair
		300A~350A	Φ8×2.5m	1 Pair
		400A	Φ9×3.0m	1 Pair
		450A~500A	Φ9×3.5m	1 Pair
		600A	Φ9×4.0m	1 Pair
